1. ☒ The amendment filed on 13 November 2007 under 37 CFR 1.312 has been considered, and has been:

a) ☐ entered.

b) ☒ entered as directed to matters of form not affecting the scope of the invention.

c) ☐ disapproved because the amendment was filed after the payment of the issue fee.

Any amendment filed after the date the issue fee is paid must be accompanied by a petition under 37 CFR 1.313(c)(1) and the required fee to withdraw the application from issue.

d) ☐ disapproved. See explanation below.

e) ☐ entered in part. See explanation below.

The Remarks filed in the Response After Allowance under 37 CFR 1.312 point out a clear typographical error at page 6 of Examiner's Reason for Allowance attached to the Notice of Allowability of 23 August 2007. The error occurs in a statement that "The objection of claims 1-10 has been withdrawn." At the time of the action, claim 1 had been canceled. Since the Notice of Allowability (PTO-37) correctly indicates that Claims 2-10 are allowed, no new Notice of Allowability is deemed necessary.
